RAD Renovations Application Form

HOME ACCESSIBILITY RENOVATION

The RAD Renovations Program is a non-profit, voluntary service assisting low income Calgarians living with limited mobility to navigate the process of completing home accessibility renovations.

Please complete the application form below to apply for assistance with a home accessibility renovation. This application does not guarantee acceptance into the program and is used as an initial information and screening tool. All information is private and confidential. RAD Renovations does not directly contribute financially to any home accessibility renovations. Upon intake, clients will be required to submit personal documentation (such as their Canada Revenue Agency Notice of Assessment from the most recent tax year) in order to apply for funding from external sources. Funding and project eligibility requirements do apply.

Please note ALL fields are mandatory for your application to be considered.

Please return this completed form and all supporting documentation by:
